

Register of Notifications of Infectious Disease received by the Local Authority for the MUNICIPAL District of Mittagong under the Public Health Act, 1896, Part III, and the Regulations duly made under the said Act.

NOTICE

Notifications received from legally-qualified Medical Practitioners are alone to be entered in this Register. It will be found convenient to separate the reports for each week by writing across the page the words "For the week ending (date)" at the beginning of every week. The use of this Register is to keep the Local Authority informed of the localities in which cases of infectious (or preventable) disease exist, so that they may advise through their Sanitary Inspector, or themselves take, such steps as may be necessary and in accordance with the law to
